

Olsztyn, the 1<sup>st</sup> of August 2015

*Dear Participants of World Congress of Chess Composition and World Chess Solving Championship,*

*chess and politics have a lot in common – one always has to plan three steps ahead. With the greatest pleasure I would like to welcome you in the hospitable area of Warmia and Mazury.*

*I am proud that you have chosen Ostróda – my homeland – as a venue for an event of such a rank, which takes place in Poland for the first time. I hope that the fans of that royal game will find a moment to get to know numerous attractions in our region, which is so outstanding when it comes to tourism, nature, history and culture. I wish you the incredibly interesting game and masterly performance as well as unforgettable memories and fascinating acquaintances. All of it is possible thanks to the unique atmosphere of Warmia and Mazury.*

*Yours faithfully,*

*Gustaw Marek Brzezina*
